A Quick Update on Your Donations?

The "on the ground results" of your charitable gifts to Restoration Ministries is so impactful. In fact, this month we've sent twenty-three different families finances for their subsistence. With the continued lockdown in Uganda and Rwanda many wage earning adults are either unable to work, limited by transportation, or have more mouths to feed than their income allows. This means that your donations have helped provide for life-sustaining food or home rent, or medical assistance they were unable to provide for themselves.

Following is a brief listing of the families encouraged by your gifts. As you see in the list some are widows, pastors or brothers in need. Yes, YOUR gifts are really making a difference. We are so happy that we can all work together in a way that both their spiritual and material needs can be met. Thank YOU! In your name, we distributed to several families there. Each person expressed they were truly grateful for the assistance.

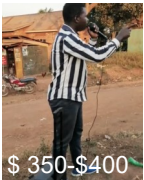

Richard and Mabel Mukisa
Paul Mutesasira
Widow Abalanga
Juliet Kitone
David Kabonge
Emma Mayo
Esther Walakira
Pastor Baviva Moses

Assist. Pastor Cissy Walusimbi
Diana Nabongho
Widow Buganga
David Kabonge's Parents
Pastor Amos
Joel Byakatonda
Andrew Musinguzi
Pastor Paul Isabirye

Pastor Erastus
Widow @ Nabyewanga Village
Vicent Mawajji
Brother Milton
Dr. Edith Mayombwe
Teacher: Deborah (??)
Assist Principal Paddy Kasule
Pastor Fred Mwanje

"Ministry Support" Projects?

\$ 350-\$400

\$ 140-\$150

As I mentioned to you earlier in the last newsletter . . . with Uganda and Rwanda locked down from Covid -19, the various ministries and churches are not being allowed open for services. Adapting to this situation many ministers having small portable speaker systems are going to the streets (see left).

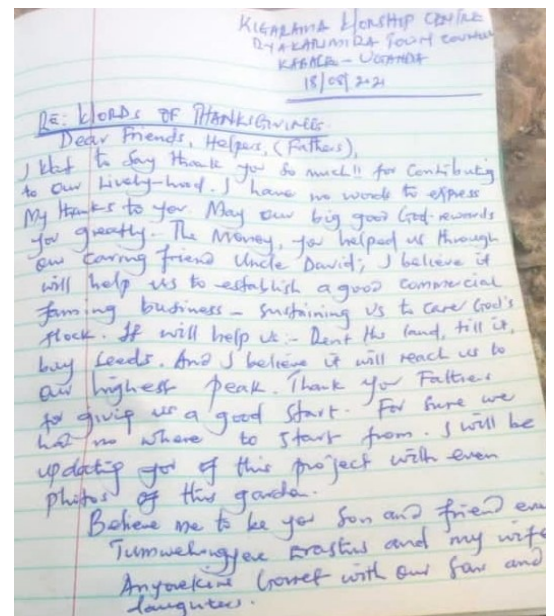

Other ministers are traveling to their constituent's homes delivering sermons first-hand one at a time or are delivering food to the needy by foot (see left). The fact is, many of these Pastors do not even own a bicycle so must do all their ministry work by walking. Let's see if we can work together and help provide the means of purchasing some bicycles for them. Simply note your desire in the memo line of your check and together we will do it!

Next Month: Update on Sustainability Projects!

During the month of August we have been able to help another village Pastor gain sustainable income through your generosity.

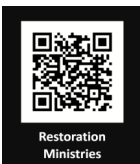

We'll give you a lengthier report of the progress in our next newsletter. As a sneak peek: here's this Pastor's "thank you" note. →

Also Next Month: A Financial Report on Donations Received!

"We cannot express in words our deepest thanks for your heart-felt generosity!"
