- SUSTAINED PASTORAL SUPPORT

WHAT A DECEMBER TO REMEMBER!

What a year this has been. Even more . . . *what a December this has been!* We impacted so many lives through your combined giving. Here are a few pictures of our activities in Uganda and Rwanda this past 30 days.

We helped distribute the 12 bicycles designated for pastors, helped host a soccer tournament where the staff preach Christ, gave needed salaries to Bible College staff, helped several with their medical bills, hosted a Christmas celebration for orphans, and helped remote village pastors gain a steady income. And . . . more, but there's not enough space here to show.

This is only the short list of help your donations provided in the month of December. WoW! **THANK YOU!** All this pictured would NOT have been possible without YOU!
