

RESTORATION MINISTRIES QUICK UPDATE!

October 25, 2022

Words fail both Ruth and I to express our deepest appreciation and honor to be entrusted with your gifts given to The Lord Jesus Christ. It just blows our mind how God uses YOU to minister to others with some of the deepest needs for their further personal existence or to pay tuition for their children, or to provide food on their table.

Yet, month by month you continue to send to their aid. May God's richest blessings come and overtake all you do, bringing His blessings now as well as in the future. Again, we say . . . Thanks!

We wanted to share some of the replies we get back from those you have helped! Although these comments seem directed to either Ruth or myself, it really is "to you"! You are the ones enabling this ministry. We are simply the ones forwarding it onward to the recipients. May all these comments resound to the GLORY OF GOD and be written to YOUR ACCOUNT in the books and records kept in God's heaven.

HADIJAH KASULE

I will not stop thanking you for standing with us. Thank you for your generosity. May God richly bless you. The times are tough, but thank you for giving us your shoulder to lean upon. Blessings!

MOSES BAVIVA

We are having a new day! We are praying and fasting time and doing our best to be established in the land God sent us to. Glory to God, the father and Savior who deposited His Spirit of a father and pastor in you! We're blessed and have sure hope of His tender love and mercies because of you. Thank you for the fees you sent [for tuition]. It was enough! It covered all the tuition for that term. We testified what God has done through the Martins! When we told them that it is done, they rejoiced in the Lord with us!

ARNOLD & TEOJUDE KIKONYOGO

We love you, Papa and Mama! Woo Woo! Thanks so much for the timely gift we have received. Glory be to God! Thanks for thinking about us, we have gotten our gift from you. It was so needed so we could pay for the school tuition for our family and buy much needed food.

JOEL JAMES BYAKATONDA

My wife and I are grateful for the support. Thanks for always standing with us in support. We are praying for you to have more faith, more blessings, more open doors, more breakthroughs. You, and your wife Ruth, are so faithful with monthly support. It amazes us to see the grace of our God through you. We had received no salary since the College moved to Buvvi, and I had to reallocate the family there, and since getting food was

challenging. I do go to my small land for farming food, but it is a long distance away. But the blessing to us enables us to continue to minister here as an administrator and teacher at the Bible College. Blessings to you and Ruth.

MOLLY NAMWERERE

I must now register [with the government] as a teacher now since I had not gotten my transcript and certificate of graduation. Now I got them. Then I will be able to look for a permanent government job after the two years serving here. Thank you for your continued support. God makes ways where seems to be no way!

PADDY KASULE (TEMPORARY PRINCIPLE OF YESU AKWAGALA BIBLE COLLEGE)

Now back at college [after the pandemic lockdowns] we are moving on well. The Lord has blessed us with 35 full-time students. We are getting used to the new campus and the village around. The male dormitory is not yet finished, the students are being housed in one of the classes at the moment. The teachers are giving in all they have to make the college have a great start [after the pandemic and move to new location].

We thank you so much for the support and motivation you give to the teachers. We are believing that ‘full support’ of the college by U.C.O.M. will resume in January. But we staff agreed to take a step of faith and see what the Lord is going to do. Thank you for being a vessel the lord is using to bless us! We [Staff] are so grateful for the support you always send us. To realize someone somewhere is taking note of the service we render and stands with us in our welfare motivates us further. We bless the Lord for you.

PASTOR ERASTUS TUMWEHONGYERE

Papa Rickey and Church Family: I greet you in the mighty name of Jesus Christ. I want to say thank you so much for allowing God to use you and to team with us in this building project by the Holy Ghost. What a wonderful time to have this gift given. I promise to you to use the gift to the best I can in building the church and to be careful to do all we do for the glory of God. Thank you for being a good caring man of God. I hope to see you face to face and say ‘Thank You’ again. Believe me to be your son ever.
